Ref. No. PCBT / 2189(A) / 2025-26

Date : 20/03/25

Institution Industries Cell (2025-26)

The Institution Industry cell is Established under the Industry Institute interaction scheme of the ministry of Human Resources Development. Government of India with sole aim to understand industrial requirement of the region and act as bridge between academia and Industry. The cell has so far conducted Business plan competition since its inspection to cultivate entrepreneurship skill among students.

Objective:

The cell was established with the following major objectives:

The evolve educational programmers which are consistent with the broad requirement of the industry and which can give rise to the engineering personnel capable coping up with the accelerating pace technological Development.

- To Create Adequate Facilities updating knowledge of professional engineer and technologist to meet growth and development needs of the industry.
- Preparing / Updating a comprehensive directory of technology expert in different field of expertise and Know- how and forging continuing link with them through various means of involvement like talk guest lectures , research collaboration , students project guidance etc.

Team :

The cell has been constituted and members of cell are as below :

1. Mr. Nikhil M. Ekotkhane , Coordinator , Institution Industry Cell
2. Mr. Rahul M.Kachole Member , Department of Civil Engineering
3. Mr. Yogesh A. Paliwal , Member Department of first year Engineering
4. Mrs . Harsha V. Hood , Member Department of Electrical Engineering
5. Mr. Pravin A.Sapane, Member , Department of Mechanical Engineering

Strategy :

In light of liberal economic and industrial policy industrial scenario is fast changing. Industries are compelled to compete with multinationals. The emphasis has shifted to quality product and well trained manpower to produce such product. There has been a greater need for industries to depend on technical Institutions for R & D and for supply of highly qualified and skilled manpower . Retraining of the work force has become major activities for all Industries. There is thus a good opportunity for institute to interact with industries for mutual benefits.

Recognizing the above following trust areas has been identified:

- Exchange of expert between Institution and Industry
- Involvement of Teaching Staff in Industry.
- Institute to gain confidence of Industry.
- Institute as a consultant in R & D.
- Technological database
- Continuing Educational Programme
- Establishment of linkage
